

## CARRIER BOYS OF TIMES ENTER OLEO CONTEST

Forty-five of The 'Gettysburg Times' carrier boys began looking for "Good Luck" four-leaf clovers today, and if the paper's subscribers help them, they may win prizes ranging up to a \$1,000 college scholarship and a television set. The prizes are being awarded by Lever Brothers Co., manufacturer of Good Luck margarine.

Here is how the contest works: On the label of each package of Good Luck margarine there is a picture of a four-leaf clover, and the words "Good Luck." These should be set aside and saved, and given to your Times carrier boy when he calls. The entire foil wrap may also be saved.

At the end of two months, each boy will turn in his collection of coupons and will be awarded his prizes. If he has fifty or more "clovers," he may choose from such prizes as a baseball and a dictionary. The prizes range upward until, for those who save 600 or more "clovers," a television set or an encyclopedia may be chosen.

**May Get Scholarship**  
In addition to these prizes, the ten highest winners in this and similar contests, being held all over the country, will receive a \$1,000 scholarship, good at any U. S. college of his choice. Thus, by saving your coupons, you may help to send your favorite carrier boy to college.

R. G. Spears, marketing vice president of Lever's, stated that "the contest emphasizes the importance of the role of the nation's newspaper boys in our community and business life. Many of the famous figures in American life began their careers as newsboys, including President Eisenhower."

"We hope that the college scholarships won by the 10 most enterprising boys who enter the contest will help them along to success in their chosen fields."

**Rules Are Explained**  
The rules for the contest were explained to The Times carriers by Carl Baum and Clair Sterner, who

## USE OF THERAPY EQUIPMENT TOLD TO AUXILIARY

The Annie M. Warner Hospital's new ultrasonic therapy machine was explained to the Hospital Auxiliary by Rodney Harbaugh, of the physical therapy department, at an Auxiliary meeting Monday afternoon in the hospital board room.

Harbaugh explained that the machine, which the hospital is now using on trial, "disperses congestion in the body and has an analgesic effect, which helps to relieve pain. It is effective in treating diseases of the arteries and the veins he said, "and also for bone diseases. University of Bonn physicians have had amazing results in curing stomach ulcers and relieving scar tissue adhesion," he added.

Harbaugh said that he had been at the hospital for a little over a year, and the rate at which he was treating patients has greatly increased. "Nearly all of the doctors in the county are advising use of the equipment," he said.

**Rummage Sale In April**  
Mrs. Frank H. Kramer told the Auxiliary that the Rotary Club's rummage sale, the proceeds of which go to the Auxiliary, will be held at the Hotel Gettysburg Annex, April 29 and 30. A committee from the Auxiliary is aiding the Rotarians with the arrangements.

It was reported that the Auxiliary had cleared 101 from the operation of a snack bar at the hospital, and Mrs. Charles Weaver said that \$47.90 had been netted from the sale of infant pictures. Ten new members and one honorary member were enrolled bringing the total membership to 483.

An East Berlin group served as hostesses. They included: Mrs. Leon Roos, chairman, Mrs. Florence Gentzler, Mrs. John Gentzler Jr., Mrs. Robert Lau, and Miss Beulah Wentz. The flowers at the tea table were auctioned off, the money going to the auxiliary.

Mrs. Edmund W. Thomas presided. Approximately 30 members were present.

## STILL "CRITICAL"

Although some improvement was noted today in the condition of Mrs. Ethel Irene Gladhill, 39, Greenstone, in the Waynesboro Hospital she remains on the critical list there. Mrs. Gladhill suffered serious injuries in an auto crash March 19 at Pountaindale. Mrs. Gladhill was an occupant of a car that collided with that of a fireman answering a call for the Pountaindale Fire Company.

## Physical Therapist Will Speak April 27

Ronald Harbaugh, physical therapist at the Warner Hospital, will be the speaker at the annual meeting of the Adams County Crippled Children's Society Wednesday, April 27, at Trinity Reformed Church.

President Russel S. Hackman will preside. Annual reports will be received. Seven of the 21 directors will be elected.

Mrs. Franklin R. Bigham is chairman of the committee on arrangements.

## CITES COLLEGE NEEDS BECAUSE OF ENROLLMENT

"In every political unit of society there are certain institutions which stand out as the responsibility of the citizens of the area. In Gettysburg and Adams County, the hospital and the college are unquestionably such institutions," declared Dr. C. L. S. Raby, associate professor at Gettysburg College, in an address at Monday evening's dinner-meeting of the Rotary Club at the YWCA.

Dr. Raby said his comments would deal with the college.

"The growth of enrollment in institutions of higher learning in the nation serves as a meaningful backdrop for evaluating the situation. In 1900 about a quarter of a million persons attended college—one of each 24 of college-age youth; while in 1954, two million undergraduates, or one out of each four American young men and women of college age, is going to college.

**Enrollment Increases**  
"Compared with today's eight million youth of college age, in 1960 it is estimated there will be nine and a quarter million; in 1965, eleven and three-quarter million, and in 1970, thirteen and a half million. No doubt: with the increased percentage of those going to college. If the percentage of those going to college increases only one per cent each two years, the increment of the increase will be approximately 16,000 a year."

"What will this staggering increase in enrollment mean to the average independent college? In spite of the fact that now a policy of about 1,200 students has been established as an optimum for Gettysburg, can it be maintained under the growing pressures? In 1960 the Gettysburg student body numbered fewer than 200—now it is six times that large. It has kept pace with both the total enrollments for the nation and the percentage of increase for the entire country. Increased enrollments of this sort pose a financial problem of considerable magnitude.

**Improves Community**  
"In Gettysburg the presence of an educational institution of the Liberal Arts College type provides an atmosphere of a cultural and educational sort which permeates all quarters of the community. It makes available opportunities; although they may not be accepted by any large number at any one time, they still give a desirable tone to the community."

## FARMERS WILL MEET FRIDAY

The Adams County Farmers Association will meet Friday at 8 p.m. in the Adams Electric Cooperative building to discuss current state and national legislation.

C. M. Wilson, secretary of the Pennsylvania Farmers' Association, will comment on farm bills now pending in the law-making bodies. Issues for consideration deal with schools, highways, gas tax refund, farm ponds licensing and bonding, selective service, the farm program and others.

Assemblyman Francis Worley will talk on "The Legislative Process and What Farmers Can Do for Themselves." Also on the program will be reports on women's committee activities in the organization by Mrs. Doris Noonan of the state women's committee; the service to member program by Ray K. Hagenbuch, fieldman for the association, and the recent contacts with congressmen by Pennsylvania farmers in Washington, D. C.

Vice President Thomas Murren will be in charge of the meeting in the absence of Melvin Worley who is ill with mumps. The meeting is open to all farmers and their families.

## INSTALL OFFICERS TONIGHT

The Exchange Club will install officers for the coming year at a Ladies' Night banquet this evening at 7 o'clock, at Bankert's Restaurant. The speaker will be Joseph Geatens, Norristown, State Exchange president.

## MEETING IN CASHTOWN

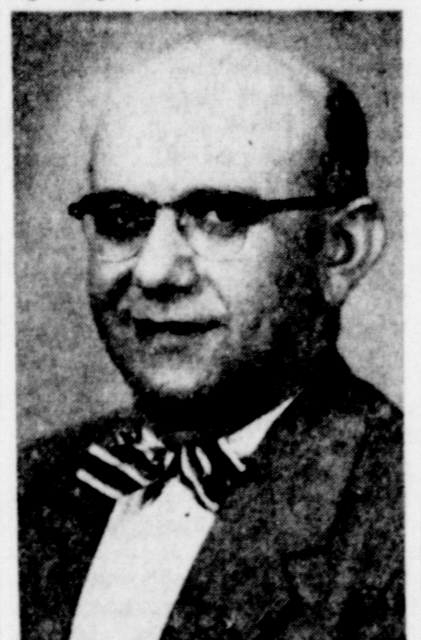

A Civil Defense meeting will be held in the Cashtown Community Hall this evening at 7 o'clock for all persons in the Cashtown area.

Watched—We will give you up to \$35 cash for your old watch. If you buy a new watch at Gay Jewelers, 10 Carlisle St., Gettysburg.

## K. R. DENGLER ELECTED HEAD OF ELKS LODGE

Kenneth R. Dengler was elected exalted ruler at the annual election of officers held by the Gettysburg Lodge of Elks, Monday evening. He succeeds Warren T. Dunn.

Other officers elected were: C. David McCullough, esteemed leading knight; J. Russell Kane, es-

teemed loyal knight; William C. Kuhn, esteemed lecturing knight; George E. Burgher, secretary; J. A. Holtzworth, treasurer; G. Noel Flynn, tiler.

Also elected were: Trustee for three years, M. P. Hartzell; representative to the Grand Lodge; Kenneth R. Dengler; alternate representative, Warren T. Dunn; delegates to the State Convention, C. David McCullough, H. E. Bumbaugh and Fred P. Haehlen Sr.; alternate delegates, S. E. Kapp, James R. Riegle and Earl M. Wineman.

The new officers will be installed at the meeting on Monday evening, April 11.

## 3 DISCUSSIONS SCHEDULED FOR PTA MEETING

Three discussion groups will be held on the general theme, "About What Are Parents and Teachers Talking?" at a meeting of the Gettysburg Parent-Teachers Association Thursday evening at 7:30 a'clock in the local high school cafeteria.

Mrs. Donald C. Sheely, president, will preside at the business meeting after which the three groups will meet in separate rooms for their discussions.

The Elementary group will have Mrs. Clarence W. Epley Jr. and Mrs. John Y. Crow as discussion leaders. John H. Reiley, supervising principal of the elementary schools in Littlestown, will open the discussion with a brief talk on "Elementary Curriculum and Its Problems." Another subject expected to be discussed will be "Would It Be Beneficial to Have a Separate PTA for the Elementary Schools of Gettysburg?" Parents and teachers are urged to present general and universal problems.

Mrs. Sheely will be the discussion leader for the Junior High group. The main theme for discussion will be "The Overly Developed Activity Program of the Junior High."

**Senior High Topics**  
The main subject for the Senior High group, for which Mrs. William C. Darrah will be the leader, will be: "Are the Students Receiving the Necessary Courses and Training to Equip Them for College?" Also listed for discussion are "What Can Parents and Teachers Do to Cultivate in the Students the Habit of Proper Use of Leisure Time?" and "Would It Benefit the Secondary Pupils if the Secondary PTA Was Separate?"

S. A. Angotti, of the Landis Tool Co., Waynesboro, originally was scheduled to address the organization but his recent transfer necessitated cancellation of the address.

Following the meeting refreshments will be served in the cafeteria. Movies will be shown in Room 110 for children who accompany their parents to the meeting.

## Receive Clothing For Homeless Family

Clothing and furnishings for the Howard Leatherman family are being received at the engine house. A carload was picked up Monday by Mr. Leatherman, and another load will be sent tonight.

Asst. Fire Chief Donald E. Staub, who is handling the donations, said that the family has located a house in Hunterstown which they will occupy. He reported that, in addition to clothing, they need a stove and other appliances.

The Leathermans' cabin at Sheffer's Park was destroyed by fire Monday morning when an oil heater exploded.

## Red Cross Needs \$10,000 In Two Days; Water Safety Classes, Other Services Periled

The Adams County Chapter of the Red Cross needs \$5,000 a day for the next two days if it is to reach its \$15,493 goal within the allotted month of March.

Chapter officials today expressed concern about the drive—concern about what will happen to the local service program of the Red Cross if the drive falls short.

One reason the goal this year is slightly higher than in 1954 is that the Red Cross water safety program, in which hundreds of boys and girls in many parts of the county learn to swim and take care of themselves in the water, is to be expanded.

**Water Safety Program At Stake**  
The water safety program's popularity has grown steadily with the years and last year saw hundreds of beginners, intermediate and advanced swimmers earn their Red Cross certificates in local pools and at Littlestown.

Campaign Chairman Kenneth W.

Johns said today he knows solicitors in many parts of the county have sums in their hands which they are holding until they can make final reports.

"We don't believe there is \$10,000 in the hands of our workers but we are asking that each solicitor cover the territory assigned to him or her as soon as possible so that we may have final reports from each district," Mr. Johns said.

"We know our solicitors cannot ring every doorbell in Adams County and in some cases they will not be able to make contacts with persons in their territory. We hope that people who are not solicited personally will send their donations direct to the Red Cross office on Baltimore St. in Gettysburg. We need the help of everyone in Adams County. The Red Cross always stands ready to help everyone in emergencies and through the regular services rendered through the years."

Damage was estimated at \$100 to the right front fender and side of Wolfe's car, and at \$325 to the front end of the station wagon. Investigation is being continued.

## SAYS GOD'S WAY FOR PEACE WILL SOLVE RED ISSUE

The possibilities in the "spiritual field" in the struggle to save the world from Soviet communism were recommended as "holding much more promise than many think at first glance" in a talk before the Gettysburg Lions Club Monday evening by Guy J. Swope, Harrisburg, former special assistant to the U. S. high commissioner in Germany.

Mr. Swope, a former state budget secretary, and one time governor of Puerto Rico, talked on "The Current Situation in Europe." He declared that the problem in Europe is communism, labelled it the most serious problem the world has faced in the last 1,000 years and declared that many of the commendable features of real communism "have been prostituted as a vehicle for Soviet imperialism."

He said no one now doubts that (Continued On Page 5)

## College Student Is Buried Today

Funeral services for Gary L. Bucher, late of Biglerville, were held this morning meeting at the Bender Funeral Home, with a requiem mass at St. Ignatius Catholic Church at 10 o'clock. Rev. Fr. Wallace E. Sawdy, assistant pastor of St. Francis Xavier Catholic Church, officiated.

The pallbearers were: Carl Kessel, David Swope, Jack Home, John Jacobs, Theodore Elser, and Vincent Romano. Interment was in St. Ignatius Cemetery.

Bucher, a senior at Gettysburg College, died in a crash early Saturday morning, when his car hit a bridge just south of Biglerville.

## HOSPITAL REPORT

Admissions: Mrs. Glenn S. Wolf, Hanover R. 4; Oscar E. Mehrins, R. 3; Mrs. George Murtlof, York Springs R. 1; Mrs. Theodore Eckenrode, Fairfield R. 2; Mrs. Ella Joyce, 50 York St., Charles P. Thorne, 314 Baltimore St.; Mrs. Raymond Alexander, Fairfield, and Mrs. Dale Plank, New Oxford.

## CHIMNEY FIRE

The Cashtown Fire Co. was called out Monday evening about 6 o'clock to extinguish a chimney fire at the home of Luther Norman, between McKnightstown and Seven Stars. Owen Bucher, fire company chief, reported there was no damage.

## What's Happened To Malenkov?

### Absence Stirs Much Speculation

LONDON (AP)—Rising speculation about the whereabouts of deposed Soviet Premier Georgi Malenkov was heightened today by his absence from a farewell ceremony for a visiting Swedish power delegation.

The Swedes last night ended a 17-day tour of Soviet power stations, made at the invitation of the Soviet government. For unexplained reasons they did not see Malenkov, who was demoted seven weeks ago from the premiership to the post of minister of power stations.

**Missing Last Saturday**  
A Moscow radio broadcast describing the departure of the Swedish delegation made no mention of Malenkov. Alexi Pavlenko, described as a deputy power station minister, saw them off at Moscow Airport. Until Malenkov got the job last Feb. 9, Pavlenko had been the minister.

## Station Wagon, Car Crash This Morning

An auto collision this morning resulted in damage totaling \$435. No one was injured. Police said that H. E. Wolfe, 76, Biglerville, was driving south on N. Washington St. at about 9:30 o'clock. He stopped at the corner of W. Lincoln Ave., and then started across the street. While crossing he was struck by a station wagon, owned and driven by Jacob G. Sensenig, 38, of R. 3.

Damage was estimated at \$100 to the right front fender and side of Wolfe's car, and at \$325 to the front end of the station wagon. Investigation is being continued.

## CHAIRMAN FOR CANCER DRIVE ARE REVEALED

Names of the chairmen of local committees conducting the American Cancer Society's 1955 fund-raising drive were announced today by Mrs. C. William Harbaugh, Biglerville, and Atty. S. M. Raffensperger, Gettysburg, co-chairmen for the Adams County campaign. The drive will begin Friday.

Chairmen who will meet with community canvassers at 7:30 o'clock this evening in the YWCA building are: John A. Hauser, business and industry; John S. Rice, service clubs and veterans organizations; S. M. Raffensperger, attorneys; P. H. Cunningham, radio; Dr. Raymond F. Sheely, physicians, and Elmer M. Gruver, schools.

Community chairmen who will attend the meeting are: Mrs. Clarence Ecker, Heidersburg; Miss Evelyn Althoff, Littlestown; Miss Irene Miller, McSherrystown; Mademoiselle Club, York Springs; Miss Madeline Fortna, McKnightstown; Mrs. Henry Lower, Guernsey; Mrs. (Continued On Page 2)

## Democratic Men Will Form Club

A Democratic Men's Club will be organized in Adams County at a meeting of all Democratic men at the Lincoln Logs Thursday evening at 8 o'clock, Gilbert Lupp, E. Water St., coordinator of the movement, announced this morning.

The meeting is open to any man in the county who is interested in joining a Democratic Men's Club, Lupp said.

## Democratic Men Will Form Club

Refreshments were served by Mrs. Olive Brewbaker, Mrs. Richard Baldwin, Mrs. R. Dale Bream, Mrs. Margaret Byers and Mrs. Gladys V. Rebert.

The next meeting will be held Monday evening, April 25, at 6:30 o'clock in the form of a covered dish luncheon in the community hall. Past officers will be guests of honor.

Officers will be elected at Thursday's session. The nominating committee includes: William Sentz, R. 1, chairman; Francis McGlaughlin, Fairfield; Paul Wagner, Biglerville, and Clarence Dull, Aspers.

There was no official explanation for his absence.

Rumors that Malenkov has disappeared or been executed swept London. A British Foreign Office spokesman, asked about these stories by a reporter today, said "I could hardly not have heard them." But he declined to assess them.

Some Western officials have speculated that Malenkov, who stepped down as premier Feb. 8, with a confession of failure to do his job, was doomed to eventual liquidation. These officials, seeing (Continued On Page 3)

## TB SOCIETY MAY BUY X-RAY UNIT FOR HOSPITAL'S NEW ADDITION

The Adams County Tuberculosis Society re-elected its officers for another year Monday evening and looked favorably upon a plan under which the society would buy a \$9,800 x-ray machine for the new addition to the Warner Hospital to make chest x-rays automatic for all patients admitted there.

The staff of officers re-named for

PRESIDENT HARTMAN

the year is headed by Attorney Eugene R. Hartman as president and includes: Vice presidents, William M. Lott, York Springs, and Mrs. Richard Livingston, New Oxford; secretary, Miss Margaret McMillan; treasurer, Miss Elizabeth Evans, and executive secretary, Miss Helen Spangler.

The plan for giving chest x-rays to all patients admitted to the Warner Hospital, suggested by the tuberculosis society to the Adams County Medical Society recently, drew a reply from the medical group Monday describing them as "very much interested" but pointing out that space and facilities at the hospital do not permit such an operation now.

**Committees On Project**  
With the completion of the hospital addition, the medical society hopes such x-ray service could be (Continued On Page 3)

## SALE NETS \$24 FOR AUXILIARY

A white elephant sale held during a meeting of the Ladies' Auxiliary of the Cashtown Community Fire Company Monday evening in the community hall netted \$24. Fifty women attended the session. Mrs. Irma Martin was admitted as a new member.

Vi Deardorff, president, opened the meeting with the reading of a poem entitled, "March." Mrs. Glenn Keller played the piano for group singing. Devotionals were in charge of the chaplain, Mrs. Keith Nunemaker. Reports of the secretary and treasurer were approved.

Miss Alma Fritz reported for the Adams County Home Auxiliary and Mrs. Hilda Diehl for the sunshine committee. Mrs. Bruce Biesecker, chairman of the ways and means committee, reported that progress is being made on various auxiliary projects.

Refreshments were served by Mrs. Olive Brewbaker, Mrs. Richard Baldwin, Mrs. R. Dale Bream, Mrs. Margaret Byers and Mrs. Gladys V. Rebert.

The next meeting will be held Monday evening, April 25, at 6:30 o'clock in the form of a covered dish luncheon in the community hall. Past officers will be guests of honor.

## 1,750 VISITORS COMING HERE

Thirty-five buses will bring approximately 1,750 visitors to tour the Gettysburg Battlefield during April, Harry E. Bumbaugh, Battlefield guide, announced this morning.

Green Tours, originating in Massachusetts, have been scheduling tours to Gettysburg for the past fifteen years and each year its scheduled gets larger. Bumbaugh has been in charge of guide service for the tours during the past ten years.

Some of the tours travel the Atlantic coast into the south and then visit Gettysburg enroute north to their home station. Others come to Gettysburg enroute south.

The first tour, two buses, will come to Gettysburg at 9 a.m. April 3. Approximately 600 will be in this party.

Other tours will arrive as follows: Two hundred and fifty visitors in five buses on April 11; thirteen buses, the largest tour of the season, comprising 770 persons, will arrive on April 18; two buses on April 19; one bus April 20; four buses April 21; six buses April 25 and two buses April 29.

Beginning this week Kuhn's Millinery will be open every day and Friday and Saturday evenings until 9 until Easter. 120 Chambersburg St.

## Lenten Sermon

"I Thirst" is the topic for the fifth in the series of Lenten sermons being published by The Gettysburg Times during the Lenten season. It will appear in Wednesday's edition.

The sermon was written by Dr. John Aberly, former president of the Gettysburg Lutheran Theological Seminary.

The sermon series is sponsored by the Gettysburg Ministerium.

Next week, Holy Week, the two concluding sermons will be published.

## BETA SIGMA PHI WILL HOLD EGG HUNT APRIL 7

Plans for an Easter Egg Hunt and picnic for kiddies at the retarded children's center were made by members of the Xi Alpha Chi chapter of Beta Sigma Phi sorority Monday evening at a meeting at which Miss Helen Spangler was chosen as the chapter's new president.

The meeting was held in the sorority room on Lincoln Square with the retiring president, Mrs. Edith Riley, presiding.

The other officers elected for the coming year include: Vice president, Mrs. Jacqueline Ueber; secretary, Miss Rae Strohm, and treasurer, Mrs. Phyllis Heas.

The Easter Egg hunt and picnic for the retarded children will be held Thursday afternoon, April 7, at the Recreation Park. The committee on arrangements includes Mrs. Marie Kuhn, Mrs. Phyllis Heas, Miss Jacqueline Little and Miss Mary Lou Kranias.

**Banquet April 11**  
Arrangements for the annual Founders' Day banquet to be held April 11 at Graeffenburg Inn were announced. Miss Dorothy Masengarb, student assistant to Dr. Ralph R. Gresh, pastor of St. James Lutheran Church, will be the speaker.

Members of the chapter voted Monday evening on nominations for the "girl of the year" award. Announcement of the winner will be made at the Founders' Day affair.

An invitation was received from the ritual chapter to attend its "male guest night" April 1 at the home of Mrs. Virginia Flaws a Biglerville. Arrangements for an Exemplar Day were discussed for May 23. After the meeting the members were taken on a tour of the United Telephone Exchange by Miss Louise Duncan and refreshments were served by Mrs. Riley.

## Film On Renoir To Be Open To Public

Officers of the local branch of the local branch of the AAUW announced today that the showing of a film on Renoir paintings at the college on Thursday evening will be open to the public. A previous announcement had stated only AAUW members and college students might attend.

Mrs. Richard Mara, chairman of the art study group of the AAUW, will be in charge of the program being presented in cooperation with the Arts Department and Lecture Series Committee of the college.

Donald Robinson of the Fine Arts Department at the college will give the commentary for the colored film. The program will begin at 8 p.m. in the SCA auditorium on the college campus.

A son was born to Mr. and Mrs. William F. Asper, R. 5, Sunday at the Hanover Hospital.

Mr. and Mrs. Benjamin H. Uplinger, Dillsburg R. 2, are the parents of a daughter born at the Hanover Hospital Monday.

## MAJOR ATOMIC BLAST SEEN IN SAN FRANCISCO

LAS VEGAS, Nev. (AP)—The awesome might of America's nuclear arsenal was demonstrated at the Nevada proving ground today with the explosion of a major atomic device at 4:55 a.m.

The great flash was seen clearly in Las Vegas, 75 miles from the test site; and more dimly at Los Angeles, some 250 miles away. In Las Vegas the brilliance lighted up the sky so well that observers could see the vapor trails of planes taking part in the maneuvers.

The flash also was seen in San Francisco.

Observers on Angel's Peak, 55 miles from the blast, said the fireball lasted about 20 seconds and five minutes after the flash there was a fairly mild rumble of the pressure wave. The power of the blast was felt in Las Vegas approximately 7 minutes after the flash and one observer classified it as a "middle-sized" shock.

**Flat Top Cloud**  
The cloud that went up from the detonation, set off from a 500-foot tower, was flat across the top, unlike the usual towering clouds seen in the past here. It appeared that there was an icecap atop the cloud.

The Atomic Energy Commission had scheduled today's shot originally for last March 14 but unfavorable weather had forced postponement of the major detonation, although smaller tests were carried out.

At Cedar City, Utah, 170 miles northeast of the test site, residents reported that the shock today was the greatest they had felt from an atomic detonation. In that city the air vibrated from the shock.

The flash was seen in Salt Lake City, Utah, 360 miles northeast.

From Angel's Peak observers said rocket trails could be seen and appeared to criss cross above the fireball. Some 60 military planes were scheduled to fly practice missions in the shot area while 40 others were aloft in the general area on other missions.

**Didn't Meet Expectations**

Actually, today's blast didn't come up to expectations of observers in Las Vegas and on Angel's Peak and they said it was doubtful if anyone would have been blinded by the flash, although most of those on Angel's Peak took the precaution of looking away.

The cloud, shortly after the detonation, started to break up and seemed to be traveling in a north-east direction.

Included in the plans for today's test were atomic maneuvers for 650 soldiers and 28 Marines who were scheduled to be in trenches 3,500 yards from Ground Zero.

The predawn tower blast was the first of two shots scheduled for today. An air drop of a less powerful device was planned for later in the day.

## Completes Course In Signal Corps

Second Lt. William G. Munyan, 22, of Gettysburg, completed the Signal Corps Officers basic course at the Ft. Monmouth, N. J., Signal Corps Center Monday, the Army announced today. He entered the Army last September and was sent to the Signal School to receive basic training in the duties and responsibilities of Company Grade Signal Officers, prior to joining a field unit.

The first four weeks of the 19-week course were devoted to field training. Upon completion of this part of the course, officers were given thorough training in technical subjects, so that they may assume duties as radio officer, telephone and teletype officer, message center officer, or signal supply officer.

in the park. The land and buildings will be leased for farming operations.

**Saved From Commercialization**  
There is a modern barn on the farm and other outbuildings do not equal the age of the farm house.

Dr. Coleman said the Park Service was eager to get the farm to prevent commercial developments in the heart of the park and to prevent the selling of attractive buildings along the frontage on the Emmitsburg Rd.

Last year the Park Service acquired a small tract of land south of the Gettysburg High School building in an exchange with the Gettysburg Joint School District and within the last decade has acquired the Hoffman-Winebrenner farm land, a tract to the rear of the Lee-Meade Inn, a small piece of land near W. Confederate Ave. and the Wheatfield Rd. and the Charles Drum land along W. Confederate Ave. None of these transactions involved as much land or as much money as the Spangler property.

The sale was made by Jesse E. Snyder and Mervin Tipton as executors of the will of Robert Spangler. The principal heirs are Mrs. Bessie M. Spangler and Miss Ellen M. Spangler.

## Big 4 Meet Months Away, Says Dulles

WASHINGTON (AP)—Secretary of State Dulles said today that any top-level conference with Russia is almost certainly "months" away.

Dulles told the Senate Foreign Relations committee it is definitely the policy of President Eisenhower to pursue the possibility of a big-power conference once preliminary discussions on a lower level are out of the way.

He was before the committee to ask the Senate's speedy consent to ratification of the German rearmament treaties.

Those treaties, he said, should create "conditions" which he hoped would "lead to a solution of other European problems."

## TB SOCIETY MAY

(Continued from Page 1)

instituted and named a committee of three doctors to study the matter and confer with the tuberculosis society. The committee includes Drs. Raymond F. Sheely, David Stoner and James Allison.

The medical group said several plans for handling the x-ray project might be considered but said they looked most favorably now on a plan by which the society would buy for about \$9,900 a photo-floor x-ray unit which could be paid for over a period of five or more years. The hospital would take over operation of the project then.

President Hartman appointed Dr. J. L. Boyer, Walter A. Keeney and himself to a committee to confer with the medical society committee on the project.

## Offer Scholarship

The society voted to offer a full scholarship annually to a school nurse in the county to attend a community and school health workshop held each summer at six colleges and universities in the state.

The scholarship will be distributed through the offices of the county superintendent of schools and the superintendent of the Gettysburg joint school district.

At the request of the state tuberculosis society, President Hartman appointed two members of the county society's board of directors to attend meetings of the state society's board. Mrs. Livingston was named as the member and Miss McMillan as the alternate. The annual meeting of the state society will be held April 20-22 at Pittsburgh.

## To Employ Assistant

The county group voted to handle the school x-ray program again this year through the state Department of Health on a plan similar to that followed last year. It was described as "the cheapest, best and most favored by the medical society."

The board voted to employ an assistant to the executive secretary at the rate of \$1 per hour to help in fields of public relations and public education. The position has not yet been filled.

Before the election of officers, an election of board members was held with 10 being named for three years, 10 for two years and 10 for a one-year term.

## Board Members Named

The newly-named board includes: Three years: Arthur Roth, Orrtanna; D. E. Winebrenner 3rd, New Oxford; Dr. Lloyd C. Keefauver, Miss McMillan, Mrs. Franklin R. Bigham, Mrs. Livingston, Mrs. Raymond P. Hill, Miss Evans, Mrs. Lott and President Hartman.

For two years: Warren C. Harner, Theron Spangler, Mrs. Clayton L. Evans and Mrs. Charles W. Welkert, all of Littlestown; Walter Keeney, Mrs. B. E. Benner, Iron Springs; Dr. Boyer, Mrs. Stanton House, Bendersville; Mrs. Harvey Knouse, Gettysburg, and Dr. Sheely.

For one year: Dr. Donald B. Coover, Littlestown; Mrs. Thomas Haugh, Abbotstown; Mrs. Ira Henderson, Fairfield; Rose Koons, York Springs; Mrs. D. S. Mickley, Cashtown; Arnold E. Orner, Arndtsville; B. B. Taylor, Biglerville; Mrs. Brenda Walker, Littlestown; J. Francis Yake, New Oxford, and Mrs. Martha Boyer Lower, Arndtsville.

## Spend \$1,097 For Milk

President Hartman appointed this nominating committee for next year: Dr. Keefauver, Mr. Lott, Mr. Winebrenner, Mrs. Livingston and Mrs. Bigham.

The annual report of Miss Evans as treasurer showed last year's seal sale receipts of \$3,420 have been transferred to the general fund. Expenditures for the year totaled \$3,267 with purchases of milk totaling \$1,097 as the largest single item. There was a \$632 payment to the state society \$500 for salaries and \$109 for medical supplies, clothing, x-rays and other emergency items. Seal sale expenses totaled \$379. Her report showed a balance of \$2,063 in the general fund and \$5,667 in the savings account.

## SKIDS INTO MAILBOX

An automobile skidded on a wet highway and rain into a mail box, hedges and a lawn in York at 2:15 a.m. Saturday, but no was reported injured. The driver, Larry G. Fiesel, 22, East Berlin, told York police he applied his brakes but skidded at the intersection. Damage to the front end of the car was estimated at \$50. Damage to the lawn, property of John Steigelman, York R. 4, was not reported.

7:45 p.m., in the Lutheran Church.

## Youth Group Meets

"Science and Religion" was the subject of the topic discussed by Barbara Swam at the meeting of the Youth Fellowship of Redeemer's Reformed Church on Sunday evening. Miss Swam also read the Scripture lesson. There was group singing with Marilyn Spangler as pianist. Routine business was conducted in charge of Miss Spangler, president. The group discussed several activities to take place on Easter Day, but no definite plans were made. The Fellowship will meet again next Sunday at 6:15 p.m.

The Mothers' Sunday School Class of St. Mary's Reformed Church, Silver Run, will hold an Easter egg hunt for the children of the church on Saturday afternoon, 1:30 p.m., on the church lawn. The committees for the egg hunt include: General committee, Mrs. David S. Little, chairman, Mrs. Wade D. Brown and Mrs. John Humbert; prizes, Mrs. Charles Dutterer, Mrs. Paul Boyd and Mrs. Charles Good; entertainment, Mrs. Harvey Bankert, chairman, Mrs. Stanley Dutterer and Mrs. Howard Bowman; refreshments, Mrs. James Dutterer, chairman, Mrs. Irvin E. Moscow radio last night reported what could be construed as an attack on the ex-Premier by Moscow social science teachers.

## Condemned Reasoning

Meeting under the auspices of the Moscow Town Committee of the Communist party, the broadcast said, the teachers "sharply condemned the anti-Marxist reasoning of certain economists who rejected the law of the primary development of heavy industry under socialism."

As premier, Malenkov undertook to ease the lot of the Soviet people by putting more emphasis on the production of consumer goods and less on heavy industry. With his downfall, this policy was reversed.

The Chicago Tribune Press Service reported yesterday that rumors were circulating in London that Malenkov was executed last Thursday. The dispatch said the reports had been received "through diplomatic channels" from New Delhi.

YORK, Pa. (U-P)—Rose Ann Havice, 39, former postmistress of Mowersville, Franklin County, today was free in \$5,000 bail on charges of embezzling Post Office funds and falsifying records.

She was bound over for Federal District Court here following a hearing yesterday before U. S. Commissioner Horace G. Potts.

VOTE JOINTURE  
OF TURNPIKES

HARRISBURG (U-P)—Construction of an extension of the Pennsylvania Turnpike to connect with a proposed stretch of the West Virginia Turnpike has won Senate committee approval.

The measure provides for the Pennsylvania and West Virginia turnpike commissions to decide the connecting point of the proposed link.

At the same time, the Senate however, held up action for amendment of a bill authorizing construction of the Pennsylvania turnpike between Sharon, Pa., and Stroudsburg, Pa.

Both moves in the Senate came yesterday as Gov. George M. Leader urged in an address before a joint House-Senate session that the Turnpike Commission make a prompt decision on the route for its proposed northwest extension from Pittsburgh to Erie.

Leader also advocated construction of the West Virginia extension and the Sharon-Stroudsburg "shortway extension" if engineering studies show they are financially practical.

The West Virginia extension bill supplants a previous measure which had won committee approval last week but was then set aside. The earlier bill merely would have authorized the construction.

It's easy to oven-barbecue a chicken. Just quarter the broiler or fryer and arrange it in a baking pan. Mix up your favorite barbecue sauce and drizzle some of it over the chicken. Bake in a moderate oven, adding more barbecue sauce at regular intervals, until chicken is browned and tender.

## FIFTY YEARS AGO

Celebrated 50th Anniversary: On Thursday, the 19th inst., Rev. Father G. Kohl, rector of St. Aloysius Church, Littlestown, celebrated the 50th anniversary of his birth by entertaining a number of clergymen from a distance. The day was pleasantly spent. Rev. T. J. Crotty of this place was among those present.

**Wedding Bells:** Wisotzki-Goodson: Dr. Guy Wisotzki, son of W. H. H. Wisotzky, of this place, was married last Tuesday to Miss Bain Goodson, of Norfolk, Va. The wedding occurred at Norfolk and was a quiet affair only a few immediate relatives being present.

**Miller-Kobler:** On Wednesday, March 22nd, at Abbottstown, Dr. T. C. Miller and Miss Fannie Kobler were united in the holy bonds of matrimony, the ceremony being performed by the Rev. R. H. Clare, Dr. Miller is a prominent physician of Abbottstown, and the bride, a daughter of the late Henry Kobler and wife. She is very popular in the social circles of our neighboring borough.

**Marriage Announcement:** Dr. and Mrs. J. Jackson Purman, of Washington, D. C., have announced the marriage of their daughter, Elizabeth Burns, to Mr. Leon Brooks Leavitt, of Albany, N. Y., Tuesday, March 21, 1906. Mrs. Purman was Miss Withrow, formerly of this place.

**Dr. E. H. Markley** will open a Dental office in Gettysburg, on York St., next door to Post office, April 1st.

**Deaths And Funerals:** Daugherty: Mrs. Mary E. Daugherty, widow of the late Jacob Daugherty, died at her home at the edge of town Monday afternoon at 3:15 o'clock, of consumption aged 52 years and 8 months.

She is survived by the following children: George and Charles, of Cumberland Township; Harry, of Altoona; Emory, of E. Middle St., this place; Mrs. Geo. Hughes, Edward and Grace at home.

Deceased was a most estimable lady and was a daughter of the late F. G. Pfeiffer. She was a patient sufferer and bore her affliction with great fortitude.

The funeral will take place on Wednesday afternoon at 2 o'clock with services at the home of the deceased. Interment in Evergreen Cemetery.

**Baker:** Jacob S. Baker expired at his home along the Baltimore pike in Mountjoy Township Monday morning about 3 o'clock from a complication of diseases after an illness of more than a year and a half, aged about 65 years.

Mr. Baker was well and favorably known. He was a mason and shoemaker by trade. Besides his wife he is survived by five children as follows: Mrs. James Lister, Cumberland Township; Mrs. John Thomas, Mountjoy Township; Miss Cora, Harry and Arthur, at home.

Funeral will be held this (Wednesday) morning at 9 o'clock from his late residence.

**Baker:** Wm. Baker, of Buchanan Valley, suffered a stroke of paralysis Friday morning from which he died the same evening, aged about 66 years. Deceased is survived by a wife and five children.

**Wanted:** A bright boy to clerk in a clothing and shoe store in Gettysburg. Inquire at this office.

**Wanted:** Long Rye Straw at once. Battlefield Nursery, Gettysburg, Pa.

**The Sick:** Mrs. John Dutters, of Dutters Station, was stricken with paralysis last Friday, her entire left side being afflicted. Her condition is serious.

George H. Bittinger, of near Arendtsville, father of Mrs. Dorsey Dougherty of this place, whose illness we noted some time ago, is critically ill at this writing.

Mrs. W. S. Schrode returned

## Today's Talk

## SELF COMPANIONSHIP

The one person we know better than anyone else in all the world is ourselves. And yet, with all this knowledge, a large number of people remain poor self companions. They are bored even with themselves. And they bore other people.

It's a big and important thing to make friends with oneself. What a joy it is to entertain oneself! It then becomes doubly easy to entertain others. Most of us spend many hours each day alone so that it is important that we make the most of the hours in study, meditation, and self improvement.

People who live alone, or whose work necessitates their being alone a great deal of the time, need many interests to assure their happy self companionship. Travelers have many hours waiting to give their service. A love of books, of nature, and wide reading give a broad invitation to those ready hours.

Many a one, returning to his or her home, often wonders what to do with oneself. Why not spend it in self companionship? Why not learn something more about this person with whom you spend all your days and nights? He's the best friend you have, or ever will have! He will remain your great fortress, after all others have deserted you.

Those who make good self companions are sure to make themselves a good companion to anyone. We all need interests of escape, and we all need the companionship of others to tie with our own. Otherwise life could be very disappointing, and often bitter.

Every one of us has buried within him hidden resources about which we so often remain ignorant. Taking the time to search them out, or to discover them, is a task we should not neglect. Often the discovery of oneself is the biggest of all discoveries!

Tomorrow Mr. Adams will talk on the subject: "I'm Looking Ashamed!"

## THE WORLD

This troubled world has never been, except in spots, a place serene. Since first my memory began This theme the grownups dwell upon:

There is no future now for man. The good old days that were, have gone. Even the children of today Their wisest elders won't obey.

They said the world was failing fast And not much longer could it last. Despair was all I seemed to hear. By problems grave the race was vexed.

The end of hope was drawing near. No generation praised the next. It was the sad and solemn truth, You couldn't trust the world to youth.

They moaned and wailed for ages long That almost everything was wrong. Wise men had been, but dead, were they. All able leadership was gone.

'Twas plain no faith in us had they. But still the world kept going on. So youth, when needed, have no fear.

The world, long doomed, will be right here. Copyright, 1955, by Edgar A. Guest

## WIDE INTEREST IN WORKINGS OF BUSINESS AND HOW IT GROWS

By SAM DAWSON

NEW YORK (AP)—Public interest in the inside workings of business continues to grow.

It sparks dramatic and musical comedy hits on Broadway. It lifts novels to the best seller lists. It inspires television shows.

A senatorial study of the stock market makes front pages of the newspapers. Stockholders' meetings, once drab cut-and-dried affairs, now draw record crowds.

They Remember Babbitt

Writers find a growing public for their accounts of what makes business tick, of unethical jockeying for position by executives, of the drama behind the doors when boards of directors meet, or along the assembly lines of factories.

Some businessmen are showing signs of getting restive and a little resentful under this clinical attention.

They remember that once before the public got interested in business as a subject of fiction. Frank Norris, Theodore Dreiser and Upton Sinclair raked up some messy stuff. And Sinclair Lewis' Babbitt was carried over into popular usage as a common noun to describe the more promotional type of business man.

**Music, Drama, Comedy**  
The second World War set off the second wave of interest. This time it's in the drama of business itself. At first the writers played with the quirks of some industry or profession. "The Hucksters" purported to show readers the inner secrets of advertising agencies.

Of late the writers have turned to the industrialist, a being they once dismissed as dull. "Executive Suite," a novel later made into a movie, dealt with a battle for power among corporate executives when the president dropped dead.

A Broadway comedy hit, "The Solid Gold Cadillac," started in a stockholders' meeting and moved into top management's plush offices. A musical comedy hit, "Paloma Game," bases its plot on the struggle of a labor union to get a 7½-cent-an-hour pay raise—a theme that once wouldn't have inspired either music or comedy.

Latest to take up the fad is television, both at the comedy-secretary level and in the serious drama field.

directory reveals the names of many persons who may never have had an opportunity to obtain a college education were the college not near at hand. In numerous cases many of these people have gone on to fields of activities which have provided a most satisfactory life work and considerable economic security.

**Furnishes Town Income**

"Purveyors of goods and services in Adams County, and particularly Gettysburg, have, over the years, come to depend on the college community for a considerable portion of their income. It has been well established that the college and its affiliates spend more than two million dollars a year, locally.

"Now, what does the college need? Unquestionably the immediate need is the completion of the entire group of dormitories for men—the first of which is now under construction; a field house to provide adequate facilities for a physical education program comparable to the other departments is the next vital need.

"Coincident with these immediate needs is the need of income sufficient to improve the salary schedule."

At a meeting of the club's board of directors following the program, three past presidents, M. C. Jones, S. G. Spangler and E. W. Thomas, were elected as the club's electors for the district Rotary convention which opens here April 10. The alternates are: Dr. Chester N. Gitt, Attorney Eugene V. Bulleit and Frederic E. Griest.

Fifty-five Rotarians and guests attended the club meeting with President Roy Hammond presiding.

HENDERSON, Ky. (AP)—The weird slaying of a well-to-do stock farmer, his son and a daughter-in-law raised fears today that a vicious maniacal killer is at large in two-state area.

Officers trying to explain the strange triple killing yesterday had one strikingly similar crime for a link.

As in the case of the new victims, the body of a farm woman was found at nearby Mount Vernon, Ind., just one week ago with her hands tied behind her and a bullet through the head.

When Goebel Duncan, 51, and his son, Raymond, 21, were found yesterday in a muddy bottomland field, their hands were strapped behind their backs with belts. A bullet had been fired into their heads.

Sheriff Lee Williams went to the Duncan home to report the tragedy and found the rest of the gruesome crime.

**Wife Is Critical**  
Mrs. Mamie Duncan, 49, wife of Goebel, lay face down on a bed, her clothes stripped from the body from the waist down. Her hands were bound with an electric cord and a bullet was through her head. She pulled through surgery last night but remained in a critical condition.

In another bedroom, the sheriff found lying face-down on a bed the body of Mrs. Elizabeth Duncan, 20, wife of Dorris Ray Duncan, another son of Goebel. Her hands had been tied with a sash cord. She, too, was nude from the waist down and was shot through the head.

Officers believe the crime was the work of a sex maniac or a maniacal robber-killer.

## SAYS PEOPLE WILL BACK IKE ON WAR, PEACE

By JACK BELL

WASHINGTON (AP)—Sen. George (D-Ga.) said today he thinks the American people will support "whatever decision President Eisenhower is compelled to make" between war and peace in the Pacific.

But Sen. Sparkman (D-Ala.) said in a separate interview he feels Eisenhower and Secretary of State Dulles are joining Senate Republican leaders in turning the GOP into a "war party."

Sparkman said in his view the United States now stands "on the verge of war" in the Far East. But George and Sen. Mansfield (D-Mont.) thought otherwise.

George, who heads the Senate Foreign Relations Committee, said Eisenhower alone must decide whether the United States is to join in defense of the Chinese Nationalist-held coastal islands of Quemoy and Matsu if they are attacked by the Chinese Communists.

He said a decision to fight for the islands might alienate America's allies.

**Favors Isles' Defense**  
But he said he was "greatly troubled" by a belief that a decision not to help defend them would destroy the effectiveness of the Nationalist army on Formosa.

He said such a U.S. stand would promote a new Communist propaganda line seeking to convince Asians that this country is a "paper tiger."

He said he doesn't think the possibility of war is as great in the Formosa area as has been indicated by recent reports. He added he doesn't believe Eisenhower will have to make a "hurried" decision on Quemoy and Matsu.

Mansfield, another Foreign Relations Committee member, said he agrees there is a possibility the situation can be handled "without running the risk of a major war."

Sen. Knowland of California, the GOP leader, and Sen. Bridges of New Hampshire, who heads the Senate GOP Policy Committee, have said they regard the offshore islands as essential to Formosa's defense and have advocated fighting to hold them.

Sen. McCarthy (R-Wis.) in a Senate speech yesterday called for Eisenhower to "declare before another day has passed what America will do in the event Quemoy and Matsu are attacked." He said the administration had made "a strategic blunder of the first magnitude" in not announcing its intentions.

## PHILS, BRAVES, BUCS AND BOSOX LOOK BEST IN SPRING CAMPS

By ED WILKS  
The Associated Press

It won't mean a thing next month when the pennant races start, but right now it's the Philadelphia Phillies, Milwaukee Braves, Pittsburgh Pirates and Boston Red Sox who are the golden boys of baseball's spring exhibition schedule.

Only one of the four—Milwaukee—figures as a pennant contender. The Phils seem to lack power. Pittsburgh doesn't have the experience. And the Red Sox don't have Ted Williams.

Yet, Philadelphia is the winning exhibition club to date, winning 10 of its 15 spring games. That's the best record (.667) in either league. Milwaukee followed with a .643 percentage on a 9-5 record. Pittsburgh and Boston both are 10-6 for a .625 mark.

Have Seven Straight Manager Pinky Higgins' Red Sox have the best record on a strictly league basis, however. They've won seven of eight against clubs in their own American League. The Chicago White Sox, 6-0 over-all, are second in the American with a 3-2 mark.

The Phils top the National with a 6-2 record against other clubs in the senior circuit. The Braves and the world champion New York Giants are next with 5-2 records, although the Giants have played all their National League games against the Chicago Cubs.

The battle between the leagues goes to the National at this stage by a 36-26 count.

**Start Breaking Camp**  
The clubs will be breaking camp this week.

There wasn't much but rain and cold weather on the exhibition schedule yesterday. Just three games survived the elements.

Pittsburgh beat St. Louis 2-1, with Preston Ward hitting a two-run single in the third.

The New York Giants scored five runs in the eighth to overhaul the Cubs, but Chicago scored a deadlocking run in the ninth and broke it open with four in the 10th off Reuben Gomez for a 14-11 decision.

Kansas City defeated the Detroit Tigers 3-2 behind the six-inning, no-hit, no-run pitching of rookie Art Ceccarelli.

## WILLIAMSPORT WILL LIKELY STAY IN LOOP

WILLIAMSPORT, Pa. (P)—Prospects of Eastern League baseball remaining in Williamsport for the 1955 season were described as "good" today.

After a meeting with representatives of local service clubs yesterday, Harry J. W. Kinsling, a member of the board of directors of the Williamsport Area Baseball Corp., said:

"We are going to have baseball in Williamsport, you may be sure of that."

Kinsling said advance ticket sales have netted over \$34,000 thus far with little difficulty expected in selling enough tickets to "hit the \$50,000 goal." Pre-season sales, he said, were discussed at the meeting.

On March 14, directors voted against operating the team this year. The decision resulted from the \$50,000 pre-season ticket sale which at that time fell 20,000 short and the ability to strengthen a working agreement with the Pittsburgh Pirates.

HARRISBURG (P)—Ma Earl J. Henry today looked to April 1 to begin a term as the first new commissioner of Pennsylvania state police in four administrations.

Henry, who has been serving as traffic control officer at state police headquarters for years, will replace his old chief, Col. C. M. Wilhelm, now in his 50th year with the state police.

PHILADELPHIA (P)—A \$2,900,000 rate increase granted to Manufacturers Light & Heat Co. of Pittsburgh has been sent back to the Pennsylvania Public Utility Commission for re-examination by the state Superior Court.

The Appellate Court's ruling yesterday permits the gas utility to keep the rate increase in effect pending a new PUC ruling. Manufacturers would "promptly refund" any difference between the rates which went into effect last Sept. 7 and any lower rates set by the PUC, the court said.

## Howitzer Cagers Meet Huntingdon

The local Howitzer Co. basketball team will meet G. Co., Huntingdon, Third Battalion titlists, Thursday evening at 8 o'clock in Harrisburg.

The winner of that game will meet the First Battalion champions for the regional championship on a date and site to be announced.

Gettysburg's dribblers compiled a 12-3 record in winning the Second Battalion honors.

## SHIPPENSBURG HI JOINS LSC

Shippensburg High School, formerly a member of the South Penn Conference, was admitted to the Lower Susquehanna Conference at a meeting Monday evening.

The admission was granted for football and track while action was postponed until later on the Greyhounds' participation in basketball.

Shippensburg will not be eligible for any conference title in 1955 since its schedule has been completed with the exception of one open date. A member must play five other conference football opponents to be eligible for the title and the Greyhounds' 1955 program includes but two—Bolling Springs and New Cumberland.

If schedules can be adjusted it is possible Shippensburg may be admitted to the basketball circuit next season.

The Texas Lunch retained its hopes of overtaking New Oxford for first place in the Community Basketball League by routing Sell's Garage 66-39 in the opening game Monday evening.

Off to an 18-12 lead in the first period, the lunchmen led the remainder of the way to win with ease. Carer and Rohrbach looped 20 and 18 points, respectively, for the winners while Spence and Allison netted 12 and 10 for the losers.

A strong finish enabled the Eagles to gain a 47-40 decision over Littlestown in the second contest. Going into the final frame the score was deadlocked at 30-30.

McLaughlin led the Eagles with 21 points while Sentez and Yealy sparked Littlestown with 19 and 17.

**LAUREL OPENS APRIL 18**

## SUGAR RAY TO TRY AGAIN FOR HIS COMEBACK

CINCINNATI (P)—Sugar Ray Robinson, 10 years older than his foe but about 10 pounds heavier, battles Johnny Lombardo tonight in his third stake on the comeback trail.

The former world welterweight and middleweight champion was scheduled for No. 3 in Boston against George Small March 5. But the 34-year-old Robinson claims virus germs wrestled him and pinned him to the bed. He backed out a few hours before the bout.

Physicians of the Massachusetts Boxing Commission could not find Robinson's ailment. And the state banned him from the ring for life.

**Says He's Fit Now**  
But Robinson says he's fit for fighting now.

Cincinnati oddsmakers are making Robinson a 2-1 favorite over the 24-year-old Lombardo. But there are no takers.

Robinson is expected to weigh in at about 161 pounds for the 10-rounder. Lombardo, from Mount Carmel, Pa., should weigh about 151.

**Retired Once**  
Sugar Ray announced his retirement from the ring 27 months ago when he was reigning middleweight titlist. He quit in glory—he had won 134 of 137 professional fights. He decided to go back into the ring last summer after a fling at night club dancing.

But he's not the same champion. He still has his good looks and intelligence. However, the months took their toll. He knocked out veteran Joe Rindone in his first fight on the comeback trail. Television fans saw a sour Sugar when Ralph (Tiger) Jones outboxed him for a unanimous 10-round decision.

Robinson is confident of winning. He wants to fight once or twice a month until he meets Carl (Bobo) Olson for the middleweight crown he once voluntarily gave up.

**BOWLING GAMES SUNDAY MAY BE UP TO VOTERS**

HARRISBURG (P)—A new House bill would place the legalization of Sunday bowling on a local option basis.

A bipartisan sponsored plan offered in the House yesterday calls for a vote to be held in a primary election, not more often than once every four years.

Many municipalities now allow Sunday bowling to go unnoticed although prohibited by state blue laws.

Other new House bills would: Require approval of the state mines secretary for any agreement by a political subdivision leasing bituminous bearing land — C. O. Williams (D-Washington) and J. Dean Polen (D-Washington).

Require voter approval before a municipality could organize authorities for sewers or water distribution systems — Michael R. Flynn (D-Washington) and A. V. Capano (D-Washington).

**Coal Mine Bill**  
Remove the right of the state mines secretary to allow machinery powered by an internal combustion engine or diesel motor to be used in a coal mine — Nicholas Kornick (D-Payette) and Louis Rovaneck (D-Cambria).

Double the performance bond required of bituminous strip mining operators to \$600 an acre and a minimum of \$6,000 — Williams (D-Washington) and Louis Rovaneck (D-Cambria).

Require bituminous mine inspectors to examine each mine in their district at least once every three months instead of every four months — Kornick and Stephen McCann (D-Greene).

Appropriate \$25,000 to create a bituminous mine law study commission to study all laws relating to bituminous coal mining — Williams, Polen, McCann and Rovaneck.

**Seek Pay Increase**  
Increase salaries of state Supreme and Superior Court members 50 per cent to \$37,500 a year for Supreme Court justices and to \$34,500 for Superior Court judges — George J. Sarraf (D-Allegheny), Martin C. Mihm (D-Allegheny), Edwin C. Ewing (R-Allegheny), Edwin W. Tompkins (R-Cameron), Herman Toll (D-Phila) and George W. Cooper (R-Allegheny).

Cut hard-cooked eggs in lengthwise halves. Mash the yolks with liverwurst and mayonnaise and add salt and pepper to taste. Refill whites and flute with a fork; sprinkle with paprika. Nince to serve as a first course when company's coming.

## Sunbury Will Not Buy Loop Franchise

PETERSBURG, Va. (P)—The Class B Piedmont League appeared once more to be teetering on the brink of collapse today as the result of Sunbury, Pa.'s, decision not to purchase a franchise in the 35-year-old circuit.

Only a sudden reversal of position by the Sunbury Baseball Assn. could stave off another grave crisis for the league which has been in peril for several years because of dwindling attendance.

Ben Campbell, president of the league, said the situation posed by Sunbury's action last night was "discouraging" and might mean that the loop would finally fold after being in business since 1920.

The Sunbury baseball group voted 7-6 to turn down the purchase of the Colonial Heights-Petersburg franchise owned by Eddie Moores of Richmond, who previously had announced he would not operate a team this summer.

**"God's Way For Peace"**  
In his concluding recommendation of defeating communism on a spiritual level, Mr. Swope asserted: "If all the Christian people in the free world would dedicate themselves to advancing God's way for peace, somehow the answer would come forth, sometime, somewhere."

Mr. Swope was introduced by John C. Stahl, program chairman. One hundred and six members and guests attended the meeting at the Shelter House. President Elmer H. Schriver presided.

Walter Meighan, chairman of the talent committee for the annual Lions' club show to be given April 18, 19 and 20, announced a full rehearsal will be held Wednesday evening. The variety acts will rehearse at 7:30 p.m. and the minstrel show at 8:30 p.m. at the American Legion home. The high school girls and the German band will rehearse at the school Wednesday afternoon.

## RAIL STRIKE FORCES CLUBS TO USE PLANES

By THE ASSOCIATED PRESS

With a railroad strike tying up transportation in some southern states, major league ball clubs have turned to air travel for their barnstorming trips north.

The Brooklyn Dodgers and Milwaukee Braves have chartered planes to keep their Friday date at Montgomery, Ala., which is virtually cut off by a strike on the Louisville Nashville Railroad.

Both clubs have tossed away their railroad time tables because of the strike and the Braves plan to use planes until they reach Toledo, Ohio, April 7.

The Dodgers, incidentally, blamed the railroad strike for a large number of player cuts last week. Vice President Buzzy Bava said the club simply couldn't charter a large enough plane to handle a big roster.

**Bucs Use Plane**  
The Pittsburgh Pirates and Baltimore Orioles also stop off at Montgomery for a game, but both said the railroad strike will not interfere with their plans. The Pirates travel by plane all the time. Manager Paul Richards said the Orioles will make the Saturday game on time, but didn't indicate what type of transportation would be used.

The World Series teams, the Cleveland Indians and the New York Giants, also expect no trouble getting to Montgomery for their game Monday. Eddie Brannick, Giants' secretary, said the club is awaiting developments and hasn't decided as yet, but will fly if necessary.

At least one major problem has been caused by the strike. Negro players will have to stay at Negro hotels or private homes during the trip through the segregated South. Usually, the players sleep aboard trains rather than going to hotels on the northward trip.

**Sport Shorts**

CLEARWATER, Fla. (P)—Manager Mayo Smith of the Philadelphia Phillies has a pleasant problem—two first string catchers, Stan Lopata and Smokey Burgess.

Burgess was believed ticketed for the Brooklyn Dodgers in a trade involving Dodger second baseman Junior Gilliam. But General Manager Roy Hamey of the Phils said yesterday that nothing had come of a conference with Dodger vice president Buzzy Bava.

The two catchers split the assignment last year. The Phils reportedly hoped to acquire second base strength by trading Burgess.

# LEADER SEEKS \$20 MILLION FOR BUSINESS BOOM

HARRISBURG (P)—A 20 million dollar fund to promote business and industry in distressed areas was described Monday as the base of Gov. George M. Leader's blueprint for Pennsylvania's economic development.

The governor outlined his program on attracting new industry and solving unemployment to a joint House-Senate session late Monday.

Over the weekend published reports said he would suggest a "revolving" fund to underwrite plant construction in stricken areas such as the Scranton-Wilkes-Barre region; southwestern Pennsylvania and the Altoona area.

When repaid to the state the money would be released again on a long range basis for other enterprises.

The revolving fund will be only a part of the overall program to be contained in a package of 15 bills expected to be presented the Legislature after Leader's address. The proposals were worked out under the direction of John P. Robin, commerce secretary named by Leader to help carry out a major campaign pledge.

**To Ask Other Funds**  
Leader's appearance before the General Assembly was the first since he took office although he has sent written message on unemployment compensation, fair employment practices and reorganization.

Leader also was expected to ask the Legislature to provide a fund to study technological developments in the use of coal to create industrial by products.

Meanwhile, top legislators were looking toward a long week in Harrisburg because of a planned recess. Sen. Rowland B. Mahany, Senate Republican leader, said house will recess for the full week beginning April 3 because of Good Friday and the Easter holiday.

The joint legislative investigation of alleged inhuman practices at Laurelton State Cillage for Mentally Deficient Women will resume tomorrow afternoon. The former superintendent and assistant superintendent, principals in the case, are due to testify.

Both Speaker H. G. Andrews and Rep. Albert S. Readinger, House Democratic floor leader, freely predict quick House agreement to Senate changes in the administration's unemployment compensation bill. The measure was before the house for concurrence on Senate amendments. Then it goes to the governor who has said he will sign it.

The House approved the bill originally and sent it to the Senate where an extended controversy was

## President Peron Arrests Two Priests

BUENOS AIRES, Argentina (P)—Two more Roman Catholic priests were in trouble with the law today as President Peron pressed his campaign against what he calls church influence in politics.

Reports from Cordoba province said the Rev. Sergio Loidi, parish priest at General Cabrera, was arrested Saturday on undisclosed charges. Three days earlier authorities picked up Friar Jose Maria Valls, head of the Franciscan order in Cordoba. A police judge sentenced him to 10 days in jail for "spreading false reports tending to alarm the population."

Thirteen other clergymen have been jailed in Argentina since Peron began his drive last November.

NEW YORK (P)—(USDA)—Wholesale egg prices were weak and unsettled today. (Wholesale selling prices based on exchange and other volume sales). Nearby: Whites: Top quality (48-50 lbs) 44-44½; mediums 42-43; Browns: Top quality (48-50 lbs) 42-43; mediums 42-42½; smalls unquoted.

NEW DELHI, India (P)—Indian Prime Minister Nehru will visit Moscow at the Soviet government's invitation early in June, the Foreign Ministry announced Monday.

The decision was made after an "exchange of opinions a few days ago," but the length of stay and other details have not yet been fixed, the announcement added.

LONDON (P)—Foreign Secretary Sir Anthony Eden disclosed Monday Britain, the United States and France have already begun discussing arrangements for a Big Four meeting with Russia.

TOKYO (P)—Russia was ruled out of order Monday in its demand that Red China, North Korea and North Viet Nam be seated in the United Nations Economic Commission for Asia and the Far East (ECAFE).

solved by a compromise last week. Mahany said he was opposed to reported Democratic plans to push for Senate action on the House-approved administration fair employment practices bill.

"It is up to the governor now to bring out his budget and tax program," Mahany said. "We're not going to continue meeting a new crisis each week. The next one will be the big one—budget and taxes. We can take up other matters after that."

Leader said last week he hoped to have his tax-budget plan ready about April 11.

The plan to legalize parimutuel betting on horse races could come up for reconsideration in the Senate this week. Although defeated 26-20 last week two proponents changed their vote in order to be able to ask for another vote.

## ACCUSE EGYPT OF VIOLATION

JERUSALEM (P)—Egypt stood charged today with "flagrant violation" of the Palestine truce. The U. N. Mixed Armistice Commission censured her for a "brutal and murderous" Arab attack last week on an Israeli wedding party.

A government spokesman in Cairo denied that Egypt had launched the attack that killed one woman and wounded 23 persons including five children. He said Egypt would appeal Sunday's commission decision.

The attack took place last Thursday at Patish, 11 miles inside Israeli territory from the Gaza Strip. Thirty-eight Egyptians and eight Israelis were killed Feb. 28 in the Gaza area in a battle which the armistice commission blamed on the Israeli army.

Summing up Thursday's shooting, a commission communiqué noted "with extremely grave concern the aggravation to the serious situation along the armistice demarcation line." It called on Egyptian authorities to do their best to arrest "these infiltrators."

## WANTS FILM OF 11 YANKEES IN PRISON SHOWN

WASHINGTON (P)—Sen. Knowland (R-Calif.) said today "hardened criminals" in American jails are often "better fed and better clothed" than 11 U.S. air-men now imprisoned in Communist China.

Knowland, Senate Republican leader, said the Air Force last

Saturday showed him a film of the 11 airmen, jailed as "spies," taking exercise in a prison yard and eating out of cans. The Reds also hold four other American fliers captured in the late stages of the Korean War.

That film, Knowland said, should be shown "across this nation, on television and movie screens, so everybody could see it."

**Our Criminals Better Fed**  
He said Dag Hammarskjold, U.N. secretary general, brought the film back from Peiping, where he flew early this year in an effort to win the release of the fliers. Knowland said he would press the State Department to release the film for public showing.

"I won't say that our men weren't able to walk around, or that they appeared on the edge of starvation," he said in an interview.

"But I have seen hardened criminals in our own jails in California, when I inspected them as a member of the California State Assembly, who were better fed and clothed than those 11 men."

## TRIES 6 MONTHS TO GIVE RADIO STATION TO U.N.

By WAYNE OLIVER

**NEW YORK (AP)**—For the last six months Ira A. Hirschmann has been trying unsuccessfully to give a radio station to the United Nations.

The U.N. would like to have the station but hasn't figured out how it would finance it and provide a staff to run it.

The station is WABF, operating on a local FM channel. Hirschmann started it in 1941 in what proved to be a noble experiment in programming.

### Steadily Lost Money

A music patron and former department store executive, Hirschmann patterned his programs after the third service of the British Broadcasting Corp. The station featured classical music, drama and other cultural programs.

Partly because so few sets in this area were equipped to receive FM broadcasts and partly, perhaps, because not enough people cared for the serious programming, the station lost money steadily. Hirschmann took the station off the air in June 1953 but obtained extensions of its permit while he decided what to do with it.

Last August he conceived the idea of giving it to the U.N. and wrote Secretary General Dag Hammarskjöld, who conditionally accepted in October.

### Gets FCC Okay

More weeks passed and the U.N. brought up the problem of moving the station from its Hotel Pierre location to U.N. headquarters. It would cost \$8,400. Hirschmann wrote on Jan. 17 that besides giving the station, he also would pay the moving costs.

Meanwhile, the proposal for operation by the U.N. of a station of its own received tentative ap-

## Ike's Comptroller General Opposes GOP Highway Plans

By JAMES MARLOW

**WASHINGTON (AP)**—Joseph Campbell, handpicked by President Eisenhower as comptroller general, started with a bang. He put a firecracker under the administration's highway program.

If this surprised the administration, it must have doubly surprised Campbell's critics in Congress. They had suspected out loud he'd be an administration yes-man.

Campbell, a 55-year-old New Yorker and an accountant all his life, was treasurer and vice president of Columbia University, where Eisenhower was president. He must have made an impression on Eisenhower.

In 1953 Eisenhower made him a member of the Atomic Energy Commission. Campbell got into the row of his life when he voted for the administration-backed Dixon-Yates contract. Under it private power companies would build a 107-million-dollar power plant to supply the Tennessee Valley Authority with power to replace power which the TVA sent into atomic plants.

"Scream In Protest" TVA's friends in Congress and elsewhere practically screamed in protest. They said they saw this as an opening move to undercut TVA. Tennessee's two Democratic senators, Gore and Kefauver, didn't forget Campbell's role in Dixon-Yates.

Last December Eisenhower appointed Campbell comptroller general.

proval from the Federal Communications Commission and State Department, subject to approval of the U.S. delegation to the U.N. A check with the U.S. delegation shows it still has received no request from the U.N. for authorization to operate the station.

The comptroller general is head of the government's General Accounting Office, which Congress created in 1921 as a watchdog. The comptroller general has to watch how the government spends money and keep Congress informed about it.

Campbell's appointment ran into trouble in the Senate right away, particularly from Gore.

Gore said he had nothing against Campbell personally but an accountant was not the man for the job; it should go to a lawyer or former member of Congress.

And besides, Gore expressed fear Campbell might, as comptroller general, go along with the administration instead of being critical when it needed criticism. But the Senate finally approved Campbell March 18.

Yesterday he was called before the Senate's Public Roads subcommittee, of which Gore is chairman. Gore wasn't there. Gore, severest critic of the administration's 101-billion-dollar highway program—which seems doomed anyway—has offered a program of his own, an eight-billion-dollar one.

Campbell was asked what he thought of the administration's program. He blasted it.

# Republicans Declare Leader's \$20 Million Revolving Fund To Lease Plants Is Illegal

By LEONARD A. UNGER  
HARRISBURG (AP)—Gov. George M. Leader proposed a 20 million dollar revolving fund last night to build and lease industrial plants in economically distressed areas of the state.

The fund, to be consigned to a proposed state agency known as the State Industrial Development Authority, was assailed as unconstitutional by Republicans.

Rep. Charles C. Smith, House Republican floor leader, said the administration's economic development would "surely fail" to stand a court test.

"It seems clear that the plan would violate Article 9, Section 6, of the constitution," he told a newsman.

The section reads:

"The credit of the commonwealth shall not be pledged or loaned to any individual, company, corporation or association, nor shall the commonwealth become a joint owner or stockholder in any company, association or corporation."

But Atty. Gen. Herbert B. Cohen, Leader's chief legal adviser, took issue with Smith and told a newsman:

State To Lease Building

"The state will own the buildings and lease them only to industry. It is my studied opinion that the proposal complies in every respect with the constitution."

In other reaction, Rep. Albert S. Readinger, House Democratic floor leader, said Leader was seeking "new avenues of industrial revival."

But Sen. Rowland B. Mahany, Senate Republican floor leader, said Leader's ideas may be good but that they should have been presented with a tax plan to raise the money.

Leader, addressing his first joint session of the Legislature in the crowded House chamber, said the SIDA plan was "no giveaway," and then added:

"The authority will make a finding of public purpose and necessity as to chronic economic distress in those regions of the state which are suffering from continued and severe unemployment."

To Restrict Operations

"Its operations will be restricted to those areas where such a finding can be factually supported."

"It will purchase or receive in gift industrial sites in such areas, develop them for use, and construct industrial buildings."

"It will lease these buildings on a long-term basis to companies of good credit standing and high employment potential, on terms that will provide an incentive for the companies to locate in the designated areas."

Over a period of time, he said, the state would get its money back plus interest and the funds would be used again for other projects. No local tax exemption would be sought, he added.

Wants \$60 Million

The governor then went on to recommend similar 20 million dollar appropriations for 1957 and 1959, adding up to a 60 million dollar fund.

Over a five-year period, Leader added, more than 150 million dollars in new industrial development would come to Pennsylvania.

The governor also called for state appropriations amounting to:

1. Five million dollars as grants-in-aid for community redevelopment projects. For every dollar put up by the state, the federal government puts up two. If all of this is matched by participating municipalities, he said, 30 million dollars would be made available.

2. One million dollars to be matched by local citizens' groups who are working on industrial expansion and community development. The money would pay half of the costs, for example, of coal region organizations which are spending money to attract new industry.

Mine-Drainage Program

3. Eight and one-half million dollars as the state's share of a 15 million dollar anthracite mine drainage program. Legislation already has been introduced in both Congress and the Legislature to carry out this program.

4. A half million dollars to be matched by industry for research on finding new uses for coal. He also made these other recommendations which he said were designed to carry out a major campaign pledge to ease unemployment in Pennsylvania:

1. Set up the state planning board, now in the Commerce Department, as an independent bipartisan agency which would report directly to the governor.

2. Reorganize the commerce department into a department of economic development with four divisions—industrial development, community development, travel and vacation development and reference and research. It would have field offices at Philadelphia, Scranton, Erie, Pittsburgh and Washington, D. C.

Other Provisions

3. Eden state-paid advertising, clipping services and "lavish expenditures for self-congratulations."

4. Revoke the 1949 housing law to permit state aid in financing redevelopment of blighted areas.

5. Urge the federal government to extend tax writeoffs to all in-

# ATTACK BY RED CHINA IS NOT EXPECTED SOON

WASHINGTON (AP)—President Eisenhower does not believe Red China is prepared to cause any major conflict in the Formosa Strait in the weeks just ahead.

The President does not share the view that a Red Chinese attack might be made on the Nationalist-held islands of Quemoy and Matsu by April 15. He has rejected this estimate of the situation by some military sources, reported from Washington during the weekend.

Information reaching the White House indicates Red China lacks air bases and supplies to back up an amphibious assault on the islands, just off the Chinese mainland.

These views were outlined by an authoritative administration source in a discussion of key current issues in the foreign relations field.

Forces Big 4 Meet

As for the possibility of a Big Four conference, the source said the administration sees all signs as pointing to a meeting of some type. The question is when, where and what form it will take.

On the question of war or peace in the Formosa Strait, the source said the administration was disturbed by the weekend report that the Communists would be capable of an early attack on Quemoy and Matsu.

The report, the source said, gave an erroneous and possibly alarming picture which might lead some to believe the United States would soon be in a full-scale shooting war with atomic weapons.

Also, he said, it was felt that such talk could damage the American position with some foreign nations that take issue with parts of U.S. policy in the Formosa area.

Realizes Red Danger

The source said Eisenhower does not minimize the danger in the Far East. He said to feel that the situation is likely to become increasingly serious and that no body can predict what Red China might do.

A decision whether the United States would go to the defense of the offshore islands rests with Eisenhower.

The decision probably would come before any actual attack but it hasn't been made yet, the source said.

As for the prospects of a big power meeting, the administration was said to feel that a foreign ministers conference likely would precede a meeting of chiefs of government.

# Two Pennsylvania Airmen Get Medals

SUMTER, S. C. (AP)—Five airmen—including two from Pennsylvania—who manned two helicopters in the rescue of 93 stranded fishermen from nearby Lake Marion Sunday, have been awarded the U. S. Air Force Commendation Medal.

The Pennsylvanians are Maj. Frances M. Cerney of R. 1, Doylestown, Pa., and Capt. Robert L. Hess of Brookline.

The Sikorski H19 helicopters were pressed into service when more than 200 fishermen were stranded in their boats and on many small islands in the lake by high winds and rough water.

The presentations were made at Shaw Air Force Base here yesterday.

# Prisoner Objects To Sentence On 13th

NEWARK, N.J. (AP)—Elijah Walton, 48, pleaded no defense to a manslaughter charge in the fatal stabbing of Basil Jones, 27, during an argument. But when Judge Alexander Waugh set April 13 for sentencing, Walton protested: "Oh no, judge, not the 13th! I'm superstitious." The judge was obliging. "Very well, then," he said, "you shall be sentenced April 22."

dustries in distressed areas.

6. The Pennsylvania Turnpike Commission should act promptly on setting a route for the northwestern extension ending at Erie and on seeking a decision as to whether the Sharon - Stroudsburg and West Virginia links are financially practical.

The recommendations are designed, he said, to: "Use every reasonable power of the state itself, every resource of our dynamic people, every ounce of leadership which we possess in our national councils, to the purpose that our economy in Pennsylvania gear itself once more to an economy of full employment."

It's true enough that it costs no more to use the services of one Executor than to use those of another. This does not mean, however, that the value of every Executor's services is the same. By reason of long specialization in estate work our institution is in a position to effect savings that might be overlooked by a less experienced Executor.
